7-8-9 Dec. 2023
IICC, Dwarka, New Delhi

The Premier International
Textile Sourcing Show of South Asia

Discover the World of Textiles

Yarns • Apparel Fabrics • Denims • Accessories
Powerhouse of Opportunities

Intex is the global platform for all things TEXTILES! From fibres & yarns, fabrics and accessories, dyes & chemicals to software solutions, it connects you with industry pioneers, renowned manufacturers and suppliers from around the world helping you to exchange ideas, forge partnerships and create new opportunities to strengthen your supply and value chain.

Organised across the key apparel hubs of India, Sri Lanka and Bangladesh, Intex has firmly established itself as the gateway for global suppliers to connect with and expand into South Asia - the world's second largest textile and apparel market.

Over the last eight years, Intex has also consolidated and reinforced intra-regional business ties which have further enabled the South Asian industry to create a more efficient supply chain offering a more comprehensive and inclusive range of products for the global market.

After the successful conclusion of Intex Bangladesh (22-24 June) and Intex Sri Lanka (9-11 August) this year, we now invite Indian and international suppliers to join us at Intex India – The Premier International Textile Sourcing Show!

The Premier International Textile Sourcing Show!

Intex India - The Integrated Marketplace for World Convergence

The only international, B2B trade show for the convergence of Indian and global suppliers to access the Indian, South Asian and other markets. Participation by Indian industry professionals will provide them access to new technologies as well as a wide range of innovative, smart, sustainable and trendy textiles, products & services across categories to help you ramp-up and expand your business footprint into new territories and countries by helping strengthen industry ties with other suppliers, buyers and industry professionals.
